215	Class choices						
216	Water rights class and meeting people from other counties

251	<b>My lease favorite part of this year's conference was:</b>						
252	No answer	30					
253	The Pizza party was hosted by Tyler & CATA and not even Tyler or CATA showed up for it.						
254	Lodging - My rooms was not clean - when I called the front desk they acted like I was annoying them						
255	Lack of restaurant to choose from						
256	Choice of classes						
257	Trying to get lunch						
258	Lack of restaurants and activities/events to do while not in class. Pool is closed early, Jacuzzi in buildings closed, gym closed, restaurants close early, no bars, nothing to do.						
259	Food choices - overall I enjoy the CATA conferences and think you do a great job						
260	Location						
261	Lodging site - remoteness						
262	The dragging dinner - needs to be organized better so I don't get home at 9 p.m. when I had to study for a test.						
263	Lack of places to go.						
264	Shops and restaurants mostly closed at Copper Mountain						
265	I thought the Vendors were going to be there Thursday so I missed most.						
266	Meals						
267	Night life						
268	Lack of open restaurants and shops						
269	Lunch choices						
270	Morning after Hospitality Suite						
271	Location - too much walking to classes not in the same area - ran out of water in the classrooms						
272	Cold breakfast - dinner room						
273	Accommodations were very poor.						
274	The whole Copper experience. Not enough restaurants open - not enough choice.						
275	Check-in staff was extremely rude. No places to eat/shop. Nothing to do. Water set-ups not refreshed enough.						
276	Pizza Party - you need more options than cheese or pepperoni. Nothing was open, no night life either.						
277	I was disappointed on the shops not being open. Last year there were more shops open.						
278	Shops and restaurants closed.						
279	Not many restaurants open.						
280	all good						
281	My room was very noisy. Partying until 2:00 every night.						
282	Finding a reasonable place to eat, too expensive, no selection						
283	Lunches - too little to choose from and too expensive - signs lacking to direct you to restaurants						
284	Could not hear speakers at CATA Dinner - finding a restaurant or store open, no coffee at Village Square on Thursday - not enough chairs for breakfast						
285	No shops or restaurants to choose from						
286	Lack of restaurants and open stores for shopping						
287	Food service is expensive and not the best quality

306	<b>What was NOT provided that IS necessary is:</b>						
307	No answer	46					
308	More restaurants or places to go after class						
309	Full Internet Access						
310	More restaurants available - maybe a different location						
311	Healthier breakfast choices, in addition to Danishes, how about oatmeal, peanut butter, meat & cheese trays, snacks during breaks like in 2006.						
312	Better food choices						
313	more detailed area maps						
314	more classes						
315	Food						
316	More food, ice tea, glass cups and glasses						
317	A location where there is no need to leave the facility in your car after you arrive.						
318	More restaurants, bars, shops open, so we all have something to do when classes are over. Have some kind of activities available (golf, hiking, etc.)						
319	Snacks at the breaks would be nice. Just something small & simple, like an apple.						
320	Better signs directing people to check in and other events.						
321	Evening meal						
322	More publicizing of Shuttle Service and email availability.						
323	More non-alcoholic drinks.						
324	More signage in Copper Mountain						
325	Options for food and adequate seating for meals - What happened to the nice big cookies at break? Or another choice of entrée at dinner.						
326	Hot Chocolate						
327	Protein sources for breakfast						
328	A place to meet where there are enough open restaurants to serve so many people						
329							
330	<b>If I were to arrange the 2008 conference the first thing I would do:</b>						
331	No Answer	29					
332	Move to a different location						
333	Look for another location - the businesses not being open at th1s time really sucks.						
334	Move the date up a few weeks.						
335	Move the hospitality room out of the chapel - that was tacky - It would be fun to try something different like casino night instead of a dance (fake money)						
336	Change the location						
337	Follow example of 2007.						
338	Focus on good variety of classes then focus on improving the location and finding a more welcoming place with more amenities & restaurants.						
339	Come back to Copper!						
340	Arrange to have later check out during lunch so we can still use room to eat/pack and get out during lunch.						
341	Look at locations less isolated from operating amenities						
342	Change venue to Broadmoor, Aspen or Breckenridge						
343	Explore other towns for the potential to have CATA there.						
344	If it will be at Copper again, I would pick a date when the base area is open (shops, restaurants, activities)						
345	Move it up 2 weeks so more would be open						
346	Better Meals						
347	Move to Breckenridge						
348	Work out better and lower cost lunch and dinners						
349	Do the same						
350	Duplicate this one at Copper Mtn.						
351	Change location. I will not recommend our county to come back to Copper.						
352	Move from Copper Mtn - poor service, insufficient restaurants						
353	Find a new location. Copper does not provide there safe environment that we had at Breckenridge.						
354	Change the venue. Copper is a pain in the ass. Staff is rude, it's very confusing getting around and nothing is open!						
355	Move the location.						
356	Make sure there are more shops and eating places						
357	Secure equal and new classes and subjects.						
358	Stagger lunches since restaurants are limited.						
359	A little earlier in the year.						
360	Keep it in October.						
361	Find a location that is not so closed in October.						
362	Move it to Breckenridge or another location						
363	Have it in Breckenridge						
364	Have adequate eating places available in conference center and out.						
365	Look at a new location						
366	Go to Estes Park instead or even Silverthorne or Keystone						
367	Go back to Winter Park or Breckenridge
